Address: AAB College, Pristina, Kosovo

ACADEMIC PROGRAMS:

Bachelor's (Cycle I)
Master's (Cycle II)

INTERNATIONAL COOPERATION AND PARTNERSHIPS:

AAB College with its International Office maintains approximately 70 international Memoranda of Understanding (MOUs) with institutions across Europe, North America, and beyond. These partnerships support student and staff mobility, research collaboration, and the exchange of academic knowledge. AAB College is a member of several key networks and associations, including the Erasmus+ Program, Magna Charta Universitatum, and the European Association of Universities.

AAB College has a dynamic Project Development Office that oversees a wide range of active projects, including academic research, international collaborations, and community engagement initiatives, contributing to the institution's growth and global impact.

ERASMUS+ PROGRAM:

AAB College participates in the Erasmus+ Program, which offers opportunities for student and staff exchanges with partner universities across Europe. Students can study abroad, engage in internships, or participate in research projects. The program aims to enhance academic experiences, personal development, and employability.

Research Focus:

AAB College encourages both basic and applied research. The college's research priorities include:

- Business and entrepreneurship
- Law and public policy
- Information technology and digital transformation
- Social sciences and education
- Sports science

Student Support Services:

- Academic counseling and guidance
- Career development services
- Language support and workshops
- International student support
- Student clubs and extracurricular activities

Notable Achievements:

Participation in high-profile international events such as the International Mediterranean Games (2030)
Successful Erasmus+ exchange programs with over 70 partner universities worldwide
Collaboration with the Kosovo Olympic Committee to strengthen education and sports policies

Events and Conferences:

AAB College regularly hosts and participates in local and international conferences, seminars, and workshops. These events foster academic exchange and promote engagement with the wider academic and professional communities.
